Time: 3:00pm – 4:00pm

All members welcome

Followed by light afternoon tea and social tennis

Committee Nominations

The club has 4 named committee positions:

President – currently held by Phil Jay

Vice-President – currently vacant

Secretary – currently held by Darren Bates

Treasurer – currently held by Andrew Lane

In accordance with our Club's Rules of Association, Phil is ineligible to nominate as President as he has served in that role for three consecutive years. Darren is resigning as Secretary, and from the Committee.

The Club is therefore seeking nominations from members for each of the roles of President and Secretary.

The Club has received a nomination for the role of Treasurer. However members are also welcome to nominate for this role.

If there is more than one nomination for a named committee position a ballot will be held.

Ordinary Committee Positions

In addition to the named committee positions, our Club requires a further 5 to 7 committee members to manage the general running of the club.

Club members are welcome and encouraged to nominate for one of these positions.

Four of the existing ordinary committee members have nominated to continue and therefore it would be good to have one to three further volunteers join the committee.

You are welcome to contact Phil Jay directly on 0409 176 182 if you have an interest in joining the committee, or any other volunteering.

Volunteering at Canterbury Tennis Club

Non-committee volunteering

You do not need to be on the committee to volunteer. For example, current non-committee volunteers include:

Andrew Henry, Junior Convenor

Bridget Larkin, Night Convenor

Brett Morey, editor of Club newsletters

Shima Ibuki, social media

And...the non-committee volunteers on our events sub-committee - Deb Taylor, Adrian Lutze and Nima Roshan

Please consider giving some of your time to our great club.

Our aim is to promote tennis for members and the community. There are many small and large activities that you could become involved with to help achieve this objective.
